

Emerging Leader Fellowship 2025 - 2027 Recruitment Cycle
SUMMARY REVIEW FORM

Name of Reviewer:

Name of Organization Under Review:

Does this project intend to address some aspect of gun violence?

YES / NOT SURE / NO

If No, this submission is ineligible for this cycle's Emerging Leader Fellowship program.

For each question, please use the scoring rubric below:

0 = criterion not evident

1 = some evidence of criterion

2 = strong evidence of criterion

A. Problem Statement & Urgency:

Score (0-2)

- The summary clearly demonstrates why *now* is the right time for this project.
- The summary clearly demonstrates the *need* for this project.

Comments/Questions:

B. Project Design:**Score (0-2) | Scoring weighted 2x**

- The project’s goals, activities, and deliverables are practical and meaningful. The project design is high quality — drawing on best practice and/or research and has a strong likelihood of achieving the project’s goals.
- The projected goals are clear and attainable within the two-year Fellowship period.
- The summary demonstrates how the project will add value to the overall field.

Comments/Questions:**C. Organizational Capacity:****Score (0-2) | Scoring weighted 2x**

- The problem to be addressed aligns with the organization’s overall mission and strategy.
- The organization has the necessary relationships with system leaders and stakeholders to implement the project, and to make momentum on the issue.
- The organization has a clear plan about how to secure collaboration with key stakeholders (system partners or organizations) and/or access to data, if it is necessary for the project.
- The organization has a clear plan in place for meeting the needs of the Emerging Leader and honoring their life experience.
- The organization has the capacity to provide rich mentoring and individualized support to the Emerging Leader Fellow.

Comments/Questions:**D. Plans to Support Fellow Success:****Score (0-2)**

- The organization describes who will supervise the Fellow and the experience they possess related to project focus.
- The summary adequately discusses how the Fellow will be supported inside the organization.
- The organization describes how the Fellow will be actively involved in developing and executing the proposed project.
- The summary identifies the Fellow’s needed expertise, and these qualifications effectively align with the project.

Comments/Questions:

Should Stoneleigh invite a full proposal for this Emerging Leader project?

YES / NOT SURE / NO

Please identify any *notable concerns that the host organization should address* if recommending that the project (potentially) advance to the full proposal stage.
